This condition is subject to the next following condition concerning deliberate forgeries and applies save as provided for in paragraph 6 'information to buyers'.

(2) Private treaty sales made under these conditions are deemed to be sales by auction for purposes of consumer legislation.

15. Forgeries: Notwithstanding the preceding condition, any lot which proves to be a deliberate forgery (as defined) may be returned to us by you within 14 days of the auction provided it is in the same condition as when bought, and is accompanied by particulars identifying it from the relevant catalogue description and a written statement of defects. If we are satisfied from the evidence presented that the lot is a deliberate forgery we shall refund the money paid by you for the lot including any buyer's premium provided that

(1) if the catalogue description reflected the accepted view of scholars and experts as at the date of sale or

(2) you personally are not able to transfer a good and marketable title to us, you shall have no rights under this condition.
